EVENT REPORT

EVENT – “SKILLENZIA”

Skilienza, an online event organised by Association of Civil Engineering Students for the students of Guru Nanak Dev Engineering College. The aim of this competition was to enhance the creative skills, artistic skills, technical skills, ability to work & thinking capacity. The event held from 10th April 2021 to 17th April 2021. It was a submission type event and submissions were accepted through [guru.gndec.ac.in / moodle](http://guru.gndec.ac.in/moodle).

The event consists of three categories –

1. Meme-O-mania
2. Pixel '21
3. VID '21

The Topics of the event were:

- Meme-O-mania – Online classes
- Pixel '21 - Reflection
- VID '21- Sustainable development

The event was judged by Prof. Yuvraj Singh. The event was conducted successfully even in the online event. So, with the current state of things prompting colleges to digitally engage their students in virtual events. A number of students showed interest in the event by registering in the event of skilienza. Winners were honored with appreciation certificate and the participants with participation certificates.
